

MARIO DAVID HERNÁNDEZ PANTOJA

DATA ENGINEER

(999) 549-9926

2209088@upy.edu.mx

Mérida, Yucatán, México

More info

- Driver's license.
- I have RFC.
- I have the Military Card.

Languages

Spanish (Latin America)
Native.

English:
Advanced level | iTEP C1

Skills

Proficiency in Python and C.
Proficiency in SQL.
Database Management.
Management of Git and GitHub.
Machine & Deep Learning
Data Preprocessing.
Data Analysis & Visualization.
Good communication.
Problem resolution.
Basic knowledge of HTML & CSS.
Mastery of the Office package.
Mastering Premiere Pro.

About me

Currently a data engineering student, I define myself as a person who wants to continue learning and self-taught, very committed to every task that is presented to me, with great ability to work in multidisciplinary work teams and adapt to all types of work environments.

Academic information

Universidad Politécnica de Yucatán

Studies in Data Engineering | Current - Ending April 2026

Preparatory 2 UADY

Preparatory School level studies | September 2019 - July 2022

Experience

Data Scientist

Universidad Politécnica de Yucatán (UPY Labs) | October 2023

- Collaborator as analyst and data scientist with basic tasks and other organizational tasks within the work team.

Data Engineer

Cinvestav - UPY (Professional stay) | February 2024

- Working as a Data Engineer, doing statistic analysis of unstructured data creating multi-layer neural networks and machine learning.

Certificates and courses

Google Cloud Computing Foundations ACADEMY

Google | August 2023 - September 2023

Cloud Computing Fundamentals, Infrastructure in Google Cloud, Networking & Security in Google Cloud, Data, ML, and AI in Google Cloud.

Deep Learning Specialization Certificates

Coursera - DeepLearning.AI | January 2024 - February 2024

- Neural Networks and Deep Learning.
- Improving Deep Neural Networks: Hyperparameter Tuning, Regularization and Optimization.
- Convolutional Neural Networks.

Dataquest Certificates

- Data Analysis and Visualization with Python
Dataquest | Issued on December 24, 2023
- Python Basics for Data Analysis
Dataquest | Issued on October 16, 2023

Socio-emotional Skills Course

- Conecta Empleo, Fundación Tel. Movistar | September 2023
- Assertive communication
- Emotional Intelligence
